

## Concrete Bench Seat

<b>Rationale</b>	Permanent concrete bench seats for public areas. A decorative and functional seating option that can be customized to suit. Ideal for areas where durability and longevity is desirable. Concrete sealed with a specialised concrete sealant to give resistance to staining and makes graffiti easier to remove.
<b>Application</b>	Standard or custom sized bench seats that can be natural, coloured or polished aggregate, easy 3 part setup, top epoxy mortared to footing.
<b>Detail</b>	<ul style="list-style-type: none"> <li>• Standard bench seat options: 2600mm x 400mm x 100mm (Top approx 160kg) 1200mm x 400mm x 70mm(wood look) (Top approx 78kg) 1007mm x 445mm x 70mm (oval)(Top approx 65kg)</li> <li>• Self standing footing common across the range (approx 62kg each)</li> <li>• Steel reinforced.</li> <li>• Durable and long lasting, will not rust or rot.</li> <li>• Strength of concrete shall be in excess of 20MPa</li> <li>• Cement shall be type GP, general purpose Portland cement or similar, complying with the requirements of NZS 3122</li> <li>• Can be coloured to any Paving Worx or Peter Fell colours.</li> <li>• Can have Paua, coloured glass or shell added.</li> </ul>
