

## Bollard Collar / Mowing Strip

<b>Rationale</b>	Permanent concrete mowing strip to fit around new and existing wooden bollards and posts, buried to lawn height. Designed to stop the need to use a line trimmer around posts/bollards thus saving time and expense. Also eliminates line trimmer damage to the timber and looks smart and tidy.
<b>Application</b>	Mowing Strip around posts and bollards, Tree Ring, Umbrella Base Weight.
<b>Detail</b>	<ul style="list-style-type: none"> <li>• Measurement: 540mm outer diameter, 200mm hole diameter x 100mm thick</li> <li>• Weight approximately 43kg</li> <li>• Reinforced with steel ring.</li> <li>• Impact resistant and durable.</li> <li>• Will not rust or rot.</li> <li>• Strength of concrete shall be in excess of 20MPa</li> <li>• Cement shall be type GP, general purpose Portland cement or similar, complying with the requirements of NZS 3122</li> <li>• Can be coloured to any Paving Worx or Peter Fell colours.</li> <li>• Currently used by the Tauranga City Council.</li> </ul>
